## Orthokeratology Treatment Agreement

We welcome you into our orthokeratology treatment program. You are beginning an exciting program designed to reduce and/or eliminate your dependency on eyeglasses or contact lenses during the day by reducing or eliminating your myopia (nearsightedness). Ortho-K therapeutic lenses will gently and non-surgically reshape your corneas as you sleep.

### PROFESSIONAL FEES

Your ortho-k program is **12 months** in length. Each custom fitting is unique, and your doctor will establish the level of service required for the optimal result. As outlined below, the fitting, all follow-up visits in a 12 month period, and a pair of lenses are included in one global fee that is adjusted after the first year of initiating treatment. One spare pair of lenses is **included** in Year 1 only after the initial fitting is finalized.

**Year 1: \$2,950**

**Years 2 and beyond: \$850**

- *Additional lenses if required can be purchased for **\$198 per lens***
- *Future pricing subject to change at any time*
- *If an existing wearer transferring care, Year 1 cost is **\$1,250** (does not include additional spare pair)*

This fee includes the following:

- Evaluation and fitting of your ortho-k lenses
- Corneal topography
- All lens changes and breakage warranty for the first **90 Days** from lens arrival date
- One pair of lenses
- All follow-up appointments and topography testing for 12 months

***This fee must be paid in full prior to the dispensing of your first pair of ortho-k lenses***  
***Visit this link for special financing through CareCredit***

### DISCONTINUATION OF ORTHOKERATOLOGY

In the rare occurrence of discontinuation of ortho-k wear by the patient or advised by the doctor within the initial 90 days from lens arrival, professional and product fees will be applied to your account as a store credit at a rate of 50% to be used for alternative vision correction.
